

VanElli Promotional modelling and Events

Hi Kristen and Candice

I would like to thank you for the great service that we have been receiving from your company. We are pleased to say that we have found a promotion company that we would continue to support in the future.

The relationship between Nando's & Vanelli Promotion is Great.

Overwhelmed by the positive response from our customers in different initiatives. In the past we experience big difficulty with promotion companies but I need to compliment Vanelli Promotion.

Many thanks

Erika
